Find an association word for each item. Specific knowledge required is minimal. One answer per item is allowed.

However, a value from 0 to 10 will be assigned to each answer (rule 07) and sending your explanations is essential part of this competition. Good luck!

This is actually a part of my new verbal marathon test Vercenthon (planned number of items is 100), that will be developed through IVIQ Season II. The name of the test was suggested by Jeff Christopher Leonard.

In final version, three attempts will be allowed. Participation in IVIQ Season II counts as one submission. The participation through IVIQ costs 35€, while the final price will be higher.
